Poster frames:
Only available in A-frame sizes.
(A1, A2, A3,A4)

PF1192NAT

MAT vs NO MAT:

All these styles can be ordered with or without Mat. A Mat is a white border between the print and the frame. Please note that prints with a mat are 1 size down from the Frame. 6x4inch frames are the only frames that can't be ordered with a Mat as there is no size down in print.

Frame without Mat

Frame with Mat
